This is a 4.4-mile loop trail. Generally considered a moderately challenging route, it takes an average of 2-3 hours to complete. Dogs aren't allowed in the park.

We will meet at 8:30 am at the parking lot near the second bridge over Penitencia Creek with the sign for the Visitors Center.

Be sure to go further into the park past the first entrance and past the one-lane roadway that is regulated with a stop light.

There is no parking or entrance fee at this time.

This is a spectacular hike! We will have a shared picnic in the park afterwards.

Looking forward to seeing everyone!
